

Department of Homoeopathic Pharmacy

TEACHING FACULTY OF THE DEPARTMENT REGULAR/GUEST

NAME	DESIGNATION	QUALIFICATION
Dr. Shaga Vandana N.	H.O.D. Professor	M.D.(Hom)
Dr. Nagargoje Shivkumar S.	Reader (Guest)	B.H.M.S.
Dr. Shinde Abasaheb R.	Lecturer	M.D.(Hom)

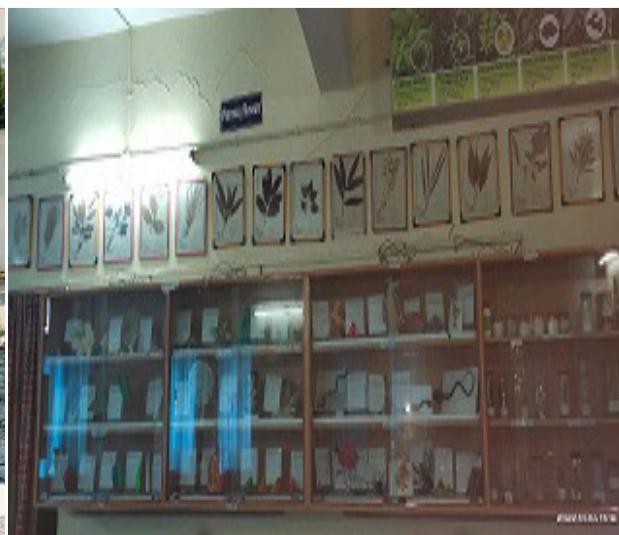

The birth of Homoeopathic Pharmacy is from the day of discovery of Homoeopathy. The excellency of this subject lies in exploring the latent curative power of every substance which is pharmacologically inert. Homoeopathic Pharmacy holds a unique place in BHMS Curriculum. As directed by NCH, this subject is taught in I BHMS Course. The teaching of Homoeopathic Pharmacy is strictly according to Hahnemann's fundamental preposition peculiar to Homoeopathy.

Department of Homoeopathic Pharmacy aims to provide sound knowledge of various aspects of Pharmacy. Knowledge of Sources of Homoeopathic drugs, principles of Dynamisation, Scientific and logical basis of Drug Action, the concept of Drug proving, methods of Standardisation, Posology, various Legislations pertaining to homoeopathic preparations, sensitisation of recent developments in Homoeopathic Pharmacy, Nano-science, Pharmacovigilance and Adverse drug reaction. 'We aim to replace an empty mind with an open one.'

The speciality of Homoeopathic Pharmacy Dept.
