**Sub :** Multiple fee structures for the students seeking admission against seats available for NRI and Institutional quotas in Unaided Private Professional Colleges imparting health science courses .

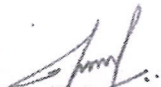

There is a practice of Private Professional Medical Colleges and other institutions charging fees in multiples of the regular fees approved by the Fees Regulating Authority from the students admitted against NRI / Institutional quotas. Issue has been discussed in depth and from all possible angles. Keeping in view the interests of managements and students community as a whole following decisions have been arrived at unanimously.

- 1) We do not see any legal hurdle in approving on going practice of institutions / colleges imparting health science courses, applying different fee structures for the students admitted against NRI and Institutional quotas.
- 2) As regards quantum of fee structures, we consider that maximum limit shall be 5 times and 3 times for the students admitted against NRI and Institutional quotas respectively. Provided that the institutions before start of admission process shall be required to declare its fee structures for respective quotas, discipline wise / course wise on its website as well as on the website of Director, Medical Education and Research, Mumbai and Fees Regulating Authority.
- 3) Fees collected from the institutions from the students of above categories shall be reflected in the statement of Income and Expenditure of the institution. The Fees Regulating Authority shall consider it appropriately while approving the fee structure of the next academic year relating to that institution and for the particular course.
