

Swachh Bharat Abhiyan

In our College

Clean Campus Drive

Our college regularly conducts cleanliness drives in classrooms, laboratories, library, hostel and hospital premises. Both students and staff actively participate to keep our campus clean.

Waste Management System

Separate dustbins for wet waste, dry waste, and biomedical waste have been installed across the campus. Proper waste disposal methods and plastic use reduction are emphasized among the college community.

Tree Plantation & Green Initiative

Students and faculty are engaged in tree plantation drives, maintaining a herbal garden, and contributing to a greener environment within the campus.

Awareness Activities

The college encourages awareness about cleanliness, hygiene, and environmental responsibility among students and staff
