

# Operation Theatre (OT) Unit

The Operation Theatre Unit of our hospital is well-equipped for conducting minor surgical procedures under proper aseptic and sterilization protocols.

## Services Available in OT Unit

- Minor surgical procedures
- Wound suturing & dressing
- Incision & drainage
- Minor surgical interventions under local anesthesia
- Sterilization and infection control measures as per norms

## Major Surgeries

Major surgical procedures are not conducted in our hospital.

For major surgical cases, patients are referred to our affiliated

MOU hospital located within the same campus:
